

## Copyright Registration Form -- Optional

At ProQuest, we make copyright registration easy—by submitting your application to the United States Office of Copyright on your behalf and providing you with the certificate from the Library of Congress. Registering your copyright via ProQuest is the fastest and most efficient method currently available.

### How to Take Advantage of Our Copyright Service

Registering with the U.S. Office of Copyright establishes your claim to the copyright for your dissertation and provides certain protections if your copyright is violated. If you wish, UMI Dissertation Publishing will act on your behalf as your agent with the United States Copyright Office and apply for copyright registration as part of the publishing process. We will prepare an application in your name, submit your application fee, deposit the required copy or copies of the manuscript, and mail you the completed certificate of registration from the Library of Congress.

To take advantage of this service, please complete the information requested below and return this page along with the rest of your submission documents.

The fee for this service is \$55.00, including the filing fee set by the U.S. Copyright Office, and is subject to change.

If you want ProQuest/UMI to file your claim to copyright, supply the information below and return this page along with the rest of your submission documents.
